Leadership at camp is very important. The purpose of the Program Aide program is to provide quality, comprehensive, leadership training for future camp unit leaders and/or leadership rules. I understand that a Program Aide is still a camper and I agree to abide by the rules and regulations affecting campers and the code of conduct.

I also understand that as a Program Aide I am responsible for attending a minimum of 90% of pre-camp meeting. The meeting dates will be available on the Camp Oh Ah Lay Lay website.

I know that I am responsible for checking my email that I provided, to check in with my fellow PA's when necessary to prepare and plan for PA led program.

I have also read and agree to the Program Aide Code of Conduct and Expectations.

I understand that being a Program Aide means that I need to put the needs of the campers before mine. I understand that I will be expected to support the vision of the camp. I also understand that I will work very hard, but have an amazing time, growing friendships, building more leadership skills, and making a difference in the lives of the campers at Camp Oh Ah Lay Lay.
